Are you an active researcher at UoN?

Looking for new interdisciplinary areas to collaborate on?

If so, Moulton College may be able to help you.

We would like to invite any interested UoN researchers across to Moulton College to view our facilities and discuss potential collaborations.

With subject areas spanning...

- Animal and equine science
- Agriculture
- Countryside management
- Construction management
- Civil engineering
- Sports performance and coaching
- Sports therapy
- Teacher education

...we have a wide range of facilities and commercial enterprises available.

Specific areas that could be visited include our...

- Animal Welfare Centre
- Animal and Equine Therapy Centres
- Sports Therapy Centre
- Commercial dairy and lamb production systems
- Wilson Countryside Centre (including game rearing and aquaculture)

On the visit you will be able to discuss work that is ongoing at Moulton and potential collaborations and funding opportunities.

If you would like to attend or for more information, please respond by email to Dr Wanda McCormick at wanda.mccormick@moulton.ac.uk and indicate which area(s) you may be interested in.
